

# TP3153

## Multi-Size Tubing Bender

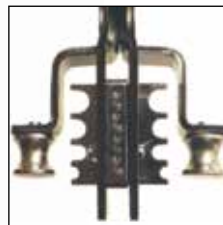

**GREAT FOR  
SHOPS &  
HOBBYISTS**

### Unique Design Eliminates Need For Multiple Tools Or Adapters

**Innovative design, great for bending lines:  
brake, fuel, transmission & more**

- Use with SAE 3/16", 1/4", 5/16" and 3/8" tubing (O.D.) (also metric 6 mm, 8 mm & 10 mm)
- Works with S.U.R.&R. UltraBEND®, copper and aluminum tubing
- Wide grip, rubber sleeve handle minimizes slippage and reduces hand fatigue

**SLIDE-TO-SIZE** selector for ease of use

**Create smooth bends in seconds for a professional look**
