

OIL Baron

OIL STAIN REMOVER

PROFESSIONAL GRADE

PLUS

NEW!

Oil Baron PLUS removes the toughest hydrocarbon (oil, gas/diesel, tar) stains on most hard, industrial surfaces.

It can seem impossible to remove tough, deep oil, tar and grease stains in concrete or other hard surfaces. With Oil Baron PLUS, it's not only possible to regain a clean surface area, this easy-to-use product outperforms all other competitors.

Simply apply Oil Baron PLUS onto the effected surface area then scrub. It immediately does the hard work by penetrating deep into the surface to remove tough, embedded stains. Then just rinse for an oil-free surface. There's no waiting to see results. There are no worries about safety concerns you find with dangerous acids. Best of all, Oil Baron PLUS removes your frustration of cleaning up the toughest oil stains.

The advantages of Oil Baron Plus:

- Quickly penetrates deep into the material surface to immediately remove oil and tar stains
- Microbial action eliminates stains
- Outperforms dangerous acids, conventional degreasing and poultice products
- Easy and simple to use: Apply, scrub, rinse and you're done
- Economical: Treats up to 10x more surface area than competitive products
