

# OIL Baron

SAFELY ERADICATES PETROLEUM SPILLS

**NEW!**

**Safely cleans petroleum spills and stains, making them nonhazardous and nonflammable**

*When your job involves working with hydrocarbons (including oil, grease and gasoline), you know how tough it is to safely clean up the spills and stains left behind. Oil Baron safely cleans up the spills and stains, rendering them nonhazardous and requiring no special waste disposal.*

From service stations to auto repair bays, Oil Baron makes it easy to clean unsightly, unsafe or hazardous messes and spills. It breaks down hydro carbons (gasoline and other petroleum products) to water and carbon dioxide. It can be applied using floor scrubbers, pressure washers or mops with no special hazardous waste disposal required.

### The advantages of Oil Baron:

- Breaks down hydrocarbons (including gasoline) to water and carbon dioxide
- Cuts through the tough oil, grease, carbon and other soil stains for superior results
- Microbial action digests hydrocarbon mess
- No oil or greasy residue left behind
- Surfaces are clean, dry and oil-free for ideal traction
- Quick drying and available in an easy-to-use spray or concentrate
- Apply with mops, garden sprayer, auto floor scrubbers and pressure washers
- Less expensive and lasts longer compared to conventional cleaners and degreasers

### Works on these surface areas:

- Concrete, tile, and metal
- Urethane, acrylic and latex paint
- VCT and waxed floors
- Plexi-glass, epoxy, plastic and rubber

### Nonhazardous:

- Non-corrosive, fragrance-free product
- Significantly reduces the ability of flammable hydrocarbons to ignite

### Usage/Dilution Ratio Chart:

Applications & Ratios	Heavy Duty	Medium Duty	Light Duty
Floor Scrubber	1:20	1:30	1:40
Mopping	1:05	1:10	1:15
Degreasing	1:2	1:4	1:8
Pressure Washing	1:50	1:75	1:100
Spill Control	1:1	1:5	1:10

### 20 OZ AEROSOL

Item Number	OB1SCA
Unit Size	20 oz
Unit Dimensions	9.5"H x 2.25"W x 2.25"D
Case Quantity	12
Case Dimensions	9.5"H x 11"W x 8.5"D
Case Weight	20 lbs
Case Cubic	0.51
Pallet	18 x 5 = 90 Cases

### 32 OZ QUART

Item Number	OB1SC
Unit Size	32 oz
Unit Dimensions	9"H x 4"W x 3"D
Case Quantity	12
Case Dimensions	10.5"H x 11"W x 14.5"L
Case Weight	32 lbs
Case Cubic	0.97
Pallet	12 x 4 = 48 Cases
